Proprietor Kevin Reed

To certify that the portable electrical
appliances at or belonging to:-

Matthew Emmerson

have been tested to the required standards as
stated in the 3rd edition of the
*“Institute of Electrical Engineers Codes of
Practice for Portable Appliance Testing”*
and were found to be safe for use
on the date inspected.

This certificate only applies to
portable electrical appliances tested by us and listed on
the record sheet / equipment log as completed by us.

Signed *Kevin Reed*
Date 11th December 2007.
